

## **BalkanResidents.com Platform Recommendation:**

forresidents.me

### **1. Private Hospital and Laboratories in Montenegro:**

MojLab has pharmacies and laboratories in most cities. They have a hospital in Podgorica and two polyclinics. They also have a polyclinic in Budva; you can find all details on their website: [www.mojlab.me](http://www.mojlab.me). Codra in Podgorica is one of the oldest private hospitals, as is Ars Medika in Podgorica.

The dental clinic that offers a discount for Business Club Members (BcM) is PZU "Bulatović Dent" Budva.

## 18. Can I travel to neighboring countries (Bosnia, Serbia, Albania, Macedonia) with a residency card and without a passport?

It is best to bring both documents because at the borders of BiH and Albania, it depends on the customs officer. By law, you can travel to these countries with a residency personal card, but sometimes they also ask for a passport. You cannot travel to EU countries without a passport.

## **19. What is the maximum time I can stay outside the country where I am a resident?**

A maximum of 30 consecutive days without notifying the competent authorities, and no more than 90 days total during the year. By staying in the country for more than 183 days per year, you acquire the status of a tax resident.

## **20. How do I open a company in Montenegro by myself and what documentation do I need?**

A passport and a clean criminal record certificate from your home country. The founding capital is 1 Euro. Company registration is done at the Central Register of Business Entities (CRPS). You need to designate a Founder, Executive Director, share capital, and company address. Contact our partner, Spin DOO.
